Merritt ESS evacuee reception centre

Emergency Social Services (ESS) set up a reception centre for wildfire evacuees at the Merritt Civic Centre over the weekend. Sunday afternoon, ESS coordinator Sky McKeown said that so far only a 'handful' of people had registered.

150 beds have been set up & volunteers will man the centre, at the request of the Province to provide capacity for housing evacuees. And, as needed, the centre will be supported by the Red Cross & Salvation Army.

"Evacuees are reminded to register, if they have not already done so: With the Canadian Red Cross, even if you do not immediately require aid. 1-800-863-6582 or www.redcross.ca

And at emergency social services reception centres, only if you require immediate aid with lodging, food or clothing. 1-800-585-9559, or www.gov.bc.ca/EmergencySocialServices

There is also a TNRD-sponsored accommodation Facebook page: TNRD Donations and Lodging

As well as a Facebook page to direct the efforts for those who would like to volunteer: TNRD Volunteer Connections - 2017 Wildfire Group

Many more evacuees in TNRD after this weekend

After the strong winds this weekend, many more communities are being affected by wildfire. The weather is forecast to return to the high 20s/low 30s, however Environment Canada forecasts a good chance of rain on Thursday in our area.

For an interactive map of the wildfires burning in the province, go to: www2.gov.bc.ca/gov/content/safety/wildfire-status and click on the map on the right hand side of the page.

For an interactive map showing TNRD evacuation alerts & orders, go to: arcg.is/2tvM7ws For a listing of evacuation orders www.emergencyinfobc.gov.bc.ca/ For road closures, go to: tranbc.ca/current-travel-advisories/

Things Overheard in a Tattoo Parlor

"Eagle? I thought you said BEAGLE." • "We're all out of red, so I used pink."

"There are two O's in Bob, right?" • "I hate it when I get the hiccups."

"Anything else you want to say? You've got plenty of room back here."

"I'll bet you can't tell I've never done this before."

My wife is so negative... I remembered the car seat, the stroller, AND the diaper bag. Yet all she can talk about is how I forgot the baby.

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

What's gone before is what's made you who you are. There's no point looking back, and wondering what could have been. You can't change the past, but you can change the present.

Taurus
April 20 - May 20

Think independently this week. To make an informed decision, you need to be able to separate causes from individuals. Be firm and make your own assessment.

Gemini
May 21 - June 20

Deep down, we believe in our indestructibility. Recently you've been feeling that you have almost god-like powers. Perhaps, this week, you do. Use them well!

Cancer
June 21 - July 22

Tired of the emotional extremes you've experienced these last 6 weeks? Just asking for one more burst of energy. Then, you can begin the next, less challenging journey.

Leo
July 23 - Aug 22

A situation is about to get hotter. It'll take great strength to swallow your pride, remain calm and decisive. But you don't need a mask to be that hero.

Virgo
Aug 23 - Sept 22

Don't panic if you feel as if everything you've worked for seems to be slipping away. You're about to be greatly reassured.

Libra
Sept 23 - Oct 22

The only thing that matters is you, your progress, and not in relation to anyone else's either. If you can free yourself from restricting comparisons you'll be surprised at what you discover.

Scorpio
Oct. 23 - Nov 21

Life's not a competition. The only winners are those confident enough to be who they are, and who follow happiness wherever it leads them. You're strong enough to be this!

Sagittarius
Nov 22 - Dec 21

Your concerns have been building up. This week, try to take a step back & evaluate whether you need to expend so much effort thinking things through. The chances are that you don't.

Capricorn
Dec 22 - Jan 19

The best way to deal with nuisances is to ignore them. It takes inner strength, resilience, and commitment—you'll soon be able to watch your troubles fly away.

Aquarius
Jan 20 - Feb 18

Despite yourself, you'll be swept up in a moment — passionate, and energetic. But you're known for your clarity. Let this be enhanced by, rather than abandoned for, emotions.

Pisces
Feb 19 - Mar 20

Some poisons - when used in small quantities - have healing properties. There is an apparent threat in your emotional life. Don't be blind to the offer of reconciliation it conceals.
